**denotes dates not falling on 2nd Sundays or 4th Saturdays*

- **Please RSVP to Alan at alan@lagunacanyon.org or (949) 497-8324 as soon as possible** if you plan on attending so that we can plan for the correct amount of food, snacks, tools, transportation to the work site, etc.
- **Please wear** long pants, sturdy close-toed shoes and sun protection (hat, sunscreen, etc.). **Please bring** at least 2 liters of water (preferably in reusable containers) and work gloves (if you have them—we have some available for loan if not).
- **We will provide a light breakfast** (bagels, donuts, fruit, coffee and juice) upon arrival, **snack bars** while out on the trail, and a **light lunch** (sandwiches, chips, fruit and sodas) when we get back from the work site.
- **Come prepared to work hard and get dirty!** Work consists of digging, scraping and moving dirt, carrying rocks and other heavy objects, hiking up and down steep, rugged trails while carrying tools, cutting and moving brush, and similar tasks.
