

LAGUNA CANYON FOUNDATION

VIRTUAL TRASH PICK-UP CHALLENGE

#LCFLitterChallenge

Laguna Canyon Foundation is excited to announce our first Virtual Trash Pick-Up Challenge! Join us Saturday 10/24 and Sunday 10/25.

Head out to your favorite outdoor places to clean them up! Trash is a serious threat to our local ecosystems and wildlife.

How to Participate

1. Follow us on Instagram @lagunacanyonfoundation and use #LCFLitterChallenge to post your trash photos. You'll need a bucket or trash bag, hand sanitizer, sun protection, water.
2. Pick your favorite outdoor place! This can be your neighborhood street, a favorite trail, or a local park. Remember, no trespassing! Stay on authorized trails and designated pedestrian areas.
3. Safely pick up trash, practicing public health guidelines and safety protocols.
4. Share your trash haul with us by tagging us and using #LCFLitterChallenge. Please send us photos, the time you spent picking up trash, and the approximate weight of your trash.
5. Safely dispose of your trash. It is best to dispose of waste in your personal trash cans since public ones can fill up. If you have recyclable items - please recycle!

Each day we will post scavenger hunt trash items. The first one to tag us with a photo of the item(s) wins a prize. Stay tuned on Instagram for updates!
